Brushed metal black

De geborstelde zwartmetalen accessoires voelen zich thuis in zowel een industrieel badkamerontwerp als in een sober chique badkameromgeving. Spannend hoe de stoere finish zich verhoudt tot het verfijnde ontwerp. Alle accessoires vervaardigd van RVS.

The brushed metal black accessories match perfect with an industrial bathroom design and in a soberly chic bathroom environment. The contrast of the tough finish with the refined design is a sensory delight. All accessories are made of stainless steel and coated in brushed metal black with PVD technology.

Nemox
Brushed gold

Nemox Brushed gold laat zien hoe je een trend bijna onopvallend een prominente plaats geeft in de badkamer. Prettig aanwezige accessoires, die niet voortdurend op de voorgrond treden.
Het beslissende detail is de hoogwaardige, geborsteld gouden PVD finish op de RVS basis. Past in modern-klassiek en trendy.

Nemox Brushed gold shows how to use trends in an understated, yet refined manner in the bathroom. Attractive accessories that don't need the centre of attention. The decisive detail is the high-quality, Brushed gold PVD finish on the stainless steel base. Ideal for modern classic and trendy styles.

Nemox

Brushed stainless steel

Het grote voordeel van RVS is de duurzaamheid. Duurzame, robuuste kwaliteit, zou je kunnen zeggen van Nemox Brushed stainless steel. Het materiaal gaat ook in dit opzicht een hecht verbond aan met het tijdloze ontwerp.

The great advantage of stainless steel is its durability. Durable, robust quality, that's characteristic for the Nemox brushed stainless steel series. In this respect, too, the material closely relates to the timeless design.
