

# Shift

Iconisch en tijdloos. De Geesa Shift-serie valt op door haar ingetogen luxe en esthetische design. De haak vormt de basis van de collectie; een solide vorm met vloeiende rondingen. De evenwijdige rechthoek is 20 graden omhoog gekanteld waarbij er een uniek figuur ontstaat. Deze herkenbare Shift-vorm is volledig doorgevoerd in deze veelzijdige premiumcollectie van Geesa.

Iconic and timeless. The Geesa Shift range stands out through its understated luxury and aesthetic design. The hook lies at the heart of the collection: a solid shape with smooth curves. The parallel rectangle has been shifted by 20 degrees, creating a unique look. This familiar Shift design element is fully utilised in this versatile premium collection from Geesa.

## Shift Chrome

Shift schittert en dat niet alleen dankzij de finish in chroom. De haak is een juweel in elke badkamer. Het is de rijke afwerking die deze serie zo exclusief maakt.

Shift shines out, and that's not only down to its Chrome finish. The hook is a jewel in any bathroom. It's the opulent finish which makes this range so exclusive.
